About Gruppo Pattern:

Pattern Spa is a leading company in the prototyping, engineering and production of fashion show collections for the most important international luxury fashion brands. Founded in 2000 by Franco Martorella and Fulvio Botto, the company was joined in 2012 by CEO Luca Sburlati. In 2017, Pattern began a structured growth path that led, first through the achievement of the **Elite Certification by Borsa Italiana** and then through the listing on the **Euronext Growth Milan Market of Borsa Italiana** in 2019, to the creation of Pattern Group: the first **Italian Hub of Luxury Fashion Engineering and Production**. Composed of a network of Italian companies, each a leader in prototyping and production, Pattern Group today has a strong positioning in the **main product categories of the luxury fashion** sector — from research and engineering to production.

Pattern Spa is also the first Italian company in the sector to have obtained the SA8000/Social Accountability Certification in 2013 and, since 2019, an ESG Rating — confirming the company's strategic decision to invest in sustainability, technology, and human resources.

Pattern today represents a unique case in the Italian fashion industry of **a private and independent company with a long-term industrial vision**.
